SKILLS & ABILITIES

I am a self driven person in a way that I can manage my work with minimum supervision. I am good at understanding any programming language if at all I am new at it. I am an interactive
person and also good at debugging code.
I have managed to develop a music for both mobile ,and desktop
https://snapcraft.io/lw-ziki- amp
and here is also my repository with all the projects I have worked on
https://github.com/Mugamba669

HOBBIES
I love coding.
I love music and dancing.

LANGUAGES

Am well conversant with English and Luganda.
